SUPPLEMENT
to
The Training School Bulletin

DONATIONS
From October 1934 to October 1935

The Training School belongs neither to the State nor to private individuals, but is a public benevolent institution incorporated not for pecuniary profit and controlled by an association of philanthropic people. Each member of the Association is a contributor to the work.

Gifts from Association members and other friends are very welcome, and are used for school, cottage and playground equipment, camp, entertainment, buildings and furnishings, and to help provide for some children whose relatives cannot adequately do so.

A permanent foundation or endowment for research work is needed. We should have $250,000 to give sufficient income to do the work.

Our friends who have not the means to contribute financially may be able to interest others to give. We are glad to have visitors who are interested in any phase of the work.

If one desires to give to The Training School, but needs the interest on the money during his lifetime, he may take an ANNUITY CERTIFICATE which our Board of Trustees grants—in legal form—whereby he will receive five per cent interest on his gift during his lifetime.

Following are legal forms of bequest and devise:

PERSONAL PROPERTY

I give and bequeath to The Training School at Vineland New Jersey the sum of ..... dollars, and the receipt of the President and Treasurer shall be sufficient receipt and acknowledgment for my executors.

REAL ESTATE

I give and devise unto The Training School at Vineland New Jersey, their successors and assigns forever, all that certain (describe the estate) with the appurtenances.
